

Reynobond[®]
Architecture

We've got nothing to hide.
Introducing the Reynobond[®] Face Fastened Solution.

Our latest installation innovation is out in the open for all the world to see: the Reynobond Face Fastened Solution, a perfect combination of durability, flexibility, simplicity and affordability. This global exposed fastener offers all the benefits you've come to expect from Reynobond composite materials, including the ability to withstand extreme temperatures and humidity, so there are no geographic limitations on where it can be used. Another plus: it's 100% recyclable. When you need a top-quality, cost-effective product that will inspire endless design possibilities, you can count on us to come up with the solution.

Dedicated to your Success
