Alcoa Architectural Products REMITTANCE INFORMATION

Thank you for choosing Alcoa Architectural Products as your Aluminum Composite and Metal Wall Panel manufacturer. At Alcoa, we are well aware that it is customers like you who are responsible for our continued success. The remittance form below has been designed for your convenience in remitting payments to us. Please forward all payments to the addresses below depending upon payment submission selection. Different payment methods are offered to make this an easy process. There are many advantages to using Electronic Funds Transfer. For an explanation of these, or for assistance in setting up an EFT process, please contact Beth McCranie at 1-800-841-7774 x. 873.
