

# NEVER

**POLISH WHEELS AGAIN!**

# JUST CLEAN

**WITH SOAP AND WATER**

**Alcoa Dura-Bright® Wheels now available in Europe**

#### **A REVOLUTION IN WHEEL MAINTENANCE!**

Even after hundreds of washes and thousands of miles, Alcoa Dura-Bright® wheels maintain their shine. Dura-Bright® is not a coating, but a patented surface treatment that penetrates the aluminium and becomes an integral part of the wheel. It will not chip, crack, peel or corrode.
