

Tool & Product Update

Model 917 POWERIG® Hydraulic Unit Return Line Improvement—Steel Tee Replaces Plastic Tee, P/N 504367

For increased product reliability the Plastic Tee Fitting P/N 504367 has been changed to a steel fitting with the same part number.

Steel Tee Fitting, P/N 504367, can be installed on all Model 917 units now in use.
