

## Australian awards

Alcoa's commitment to sustainable business and environmental conservation has resulted in numerous business and individual awards since Australian operations commenced in 1963.

We are immensely proud of these successes and continue to strive for excellence in all that we do.

## Australian awards (continued)

### Conservation and sustainability awards

International and national recognition demonstrates Alcoa Australia's successful land management and environmental conservation during more than 50 years of operations.

Our successful mined land rehabilitation program returns a self-sustaining jarrah forest ecosystem to enhance or maintain water, timber, recreation and conservation values.
